September 17, 2020

Parents/Guardians,

This school year, Yantacaw School will hold a virtual Open House. This will be an opportunity for you to meet your child's teachers, learn about class expectations, and their daily virtual routine through a live google meet.

Your child's homeroom teachers will have a folder labeled, "Open House" in Schoology for you to access the google meeting links. You must log in to your child's Schoology account in order to access the google links. Below, you will find the dates and times for each grade level. The homeroom teachers will host a live google meet which will be posted on the scheduled date and time listed below.

The specials and special education resource teachers will also have a folder labeled "Open House" in their course in Schoology. In this folder they will provide a screencast video for your viewing. You will be able to access the google link at any time during the dates listed below beginning at 6:30 p.m.

Our goal is for Open House to help you understand the roadmap for the start of the school year. It empowers you with the knowledge of what your students will be learning, as well as classroom expectations and goals. Most importantly, the evening is the beginning of forming the partnership between home and school.

Please remember that Open House is not intended for parent/teacher conferences for individual students. Parent-teacher conferences will be set up at a later date. If you have individual questions, please make an appointment with your child's teacher for a conference.

Below are the dates and times:

Tuesday, September 22

6:30-7:00 p.m. Kindergarten

7:00-7:30 p.m. Grade 1

7:30-8:00 p.m. Grade 2

Wednesday, September 23

6:30-7:00 p.m. Grade 3

7:00-7:30 p.m. Grade 4

7:30-8:00 p.m. Grade 5

8:00-8:30 p.m. Grade 6
