January 5, 2021

Dear 8th Grade Students and Families:

The Nutley Public Schools Academic Department Coordinators, NHS Building Administrators, and School Counseling Department have collaborated to create a virtual Scheduling Program for current eighth grade parents and students.

We invite you to view our screencast by clicking [HERE](#). You will hear from each academic department regarding their course of study. Information will be presented that will assist students and parents in making course selections for ninth grade. We will also walk you through the scheduling process to support you through the transition from eighth to ninth grade.

After viewing the screencast at your convenience, there will also be an opportunity for students and parents to join our administrative team live for a virtual question and answer session on Tuesday, January 12th from 7:00-8:00pm. Please use [THIS LINK](#) to join us. We will record and share the Q&A session for those who are unable to make it. We are happy to welcome you all into the Nutley High School community.

We look forward to your participation in this important program!

Warm Regards,

Meredith Gerckens
K-12 Coordinator of School Counseling

Denis Williams
Nutley High School Principal
