

# Thank you for joining. We will start shortly.

#### Attendance, Creative Curriculum & Assessment

**April Vitiello** Supervisor of Early Childhood

Welcome to our 1st Parent Academy of the year!

**Daniella DaCunha** Preschool Instructional Coach (PIC)

# Agenda

01- Attendance Matters
02- Our Curriculum
03- Our Environment
04- Our Schedule
05- Teaching Strategies

## **Student Attendance**

- Consistent attendance is critical starting in PreK.
- When children miss 10% or more of the school year, research suggests it is harder for them to develop a strong base for learning.
- Being absent 2 or more days a month can add up to missing 10 percent of the school year.
- Also, we find when students are absent, they have a hard time re-adjusting to the routine upon return.

Improving the school attendance of New Jersey's youngest learners

#### **Attendance in Preschool and Kindergarten Spells Future Success!**

Every day that your preschooler or kindergartner is in school builds their foundation for learning. Missing two or more days each month can make it harder for them to succeed. Navigating the path to your child's learning is a team effort.

Busy schedule? Set up a morning routine. Prepare your child's backpack the night before.

Not sure how many days your child has missed? Ask your child's teacher for updates or start to track davs on your own.

backup plan for transportation.

Transportation issues? Talk to a neighbor or other parent to create a

#### **Regular attendance helps your child:**

Learn numbers, letters, and shapes

Achieve future

academic milestones

Learn to manage emotions and behaviors

Learn early reading and writing skills

Not sure when to keep your child home from school? Check with your school nurse or doctor.

Let's work together to make sure children attend school every day! Questions? Contact your child's teacher, school, or parent organization.

## What kind of program are we?

- High-quality
- Safe and nurturing
- Developmentally appropriate

## 02- Our Curriculum

The Creative Curriculum is a research-based, developmentally appropriate curriculum that is adaptive to meet the needs of every child. It builds children's confidence, creativity, and critical thinking skills through hands-on, project-based exploration. It also helps teachers create a high-quality learning environment for the children in their care. Through studies, which are hands-on, project-based investigations, The Creative Curriculum helps teachers set children up for success, no matter where life leads.

# **03- Our Environment**

A physical setting that is safe, organized, comfortable and well designed helps children engage in the activities and experiences we offer. In order to support constructive and purposeful play, our classrooms are set up into the following centers:

- Art
- Blocks
- Discovery
- Dramatic Play
- Library
- Music & Movement
- Toys & Games
- Sand and Water Table
- \*Cozy Area

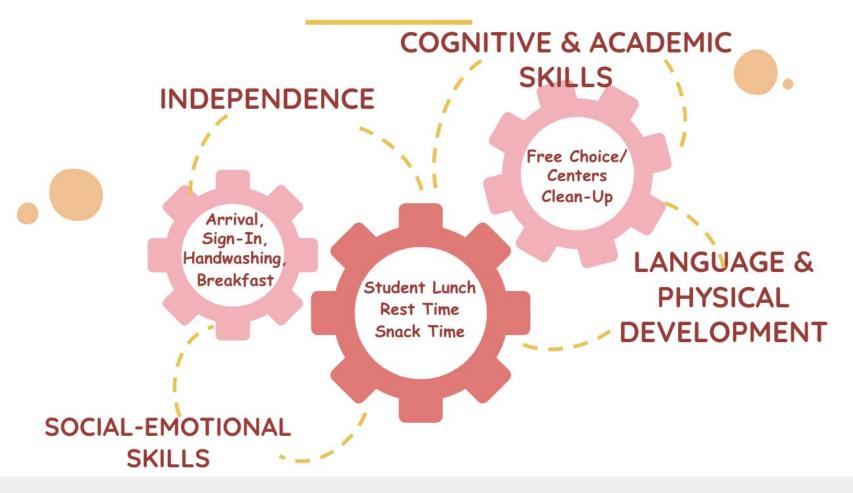

#### 04- Our Schedule

Breakfast, Lunch and Snack	Mealtime is a learning time for children to serve themselves, carry on conversations, and develop positive attitudes towards food and nutrition.		
Morning Group Meeting	Morning group meeting sets the tone of the day by providing children with a sense of belonging in a caring learning community; and to develop communication skills as they express their ideas, thoughts and feelings.		
Center Choice Time	Teachers extend children play and learning in each developmental domain and content area as children explore materials that have been purposefully planned. Teachers practice listening, speaking, and social skills with children, engaging with the individual child's emotional and thinking processes, engage in conversations, expand on language, and introduce new vocabulary or concepts.		
Outdoor Choice Time	Contributes to overall development by giving children experiences to explore all of their senses, practice fine and gross motor skills, develop language and social skills, and begin to appreciate the world around them.		
Rest Time	Allows children to restore their energy to continue healthy growth and development (social-emotional, physical, cognitive, and language development)		
Read Aloud	Teachers foster the children's love of literacy and promote foundational reading skills by reading aloud to children for both enjoyment and comprehension.		
Small Group Time	Teachers plan and work with children in small groups every day. Small group experience meet particular instructional goals and objectives.		
Large Group Round-Up	We reflect on the day's events and provides closure.		

## WHAT ARE WE PROMOTING?

#### **Literacy & Math Considerations**

Components of High-Quality Preschool:

- Increased vocabulary and language
- Phonological awareness
- Knowledge of Print
- Letters, words, numerical concepts
- Comprehension
- Literacy as a source of enjoyment
- Number and Operations
- Geometry and Spatial Sense
- Measurement
- Patterns
- Data Analysis

## **05- Teaching Strategies**

- Aligned with New Jersey Preschool State Standards
- Spans birth through third grade to allow teachers to see children's progression across the whole of the early childhood years.
- An authentic, ongoing observational system for assessing children from birth through Kindergarten.
- It helps teachers to observe children in the context of everyday experiences, which is an effective way to learn what they know and can do.

#### **OBJECTIVES AND DIMENSIONS**

OCIAL-EMOTIONAL	LANGUAGE	LITERACY	MATHEMATICS
Regulates own emotions and behaviors	8. Listens to and understands increasingly complex language	15. Demonstrates phonological awareness, phonics skills,	20. Uses number concepts and operations
a. Manages feelings	a. Comprehends language	and word recognition	a. Counts
b. Follows limits and expectations	b. Follows directions	a. Notices and discriminates rhyme	b. Quantifies
c. Takes care of own needs appropriately	9. Uses language to express thoughts and needs	b. Notices and discriminates alliteration	c. Connects numerals with their quantities
Establishes and sustains positive relationships	a. Uses an expanding expressive vocabulary	c. Notices and discriminates discrete units of sound	d. Understands and uses place value and base ten
a. Forms relationships with adults	b. Speaks clearly	<ul> <li>Applies phonics rules and knowledge of word structure to decode text</li> </ul>	e. Applies properties of mathematical operations
b. Responds to emotional cues	c. Uses conventional grammar	16. Demonstrates knowledge of the alphabet	and relationships f. Applies number combinations and mental number strategies in mathematical operations
c. Interacts with peers	d. Tells about another time or place	a. Identifies and names letters	
d. Makes friends	10. Uses appropriate conversational and other communication skills	b. Identifies letter-sound correspondences	21. Explores and describes spatial relationships and shapes
Participates cooperatively and constructively in group situations	a. Engages in conversations	17. Demonstrates knowledge of print and its uses	a. Understands spatial relationships
a. Balances needs and rights of self and others	b. Uses social rules of language	a. Uses and appreciates books and other texts	b. Understands shapes
b. Solves social problems	COGNITIVE	b. Uses print concepts	22. Compares and measures
IYSICAL	11. Demonstrates positive approaches to learning	18. Comprehends and responds to books and other texts	a. Measures objects
Demonstrates traveling skills	a. Attends and engages	a. Interacts during reading experiences book conversations.	b. Measures time and money
Demonstrates balancing skills	b. Persists	and text reflections	c. Represents and analyzes data
Demonstrates gross-motor manipulative skills	c. Solves problems	b. Uses emergent reading skills	23. Demonstrates knowledge of patterns
Demonstrates fine-motor strength and coordination	d. Shows curiosity and motivation	c. Retells stories and recounts details from informational texts	SCIENCE AND TECHNOLOGY
a. Uses fingers and hands	e. Shows flexibility and inventiveness in thinking	d. Uses context clues to read and comprehend texts	24. Uses scientific inquiry skills
b. Uses writing and drawing tools	12. Remembers and connects experiences	e. Reads fluently	25. Demonstrates knowledge of the characteristics of living things
	a. Recognizes and recalls	19. Demonstrates writing skills	26. Demonstrates knowledge of the physical properties of objects
	b. Makes connections	a. Writes name	and materials
	13. Uses classification skills	b. Writes to convey meaning	27. Demonstrates knowledge of Earth's environment
	14. Uses symbols and images to represent something not present	c. Writes using conventions	28. Uses tools and other technology to perform tasks
	a. Thinks symbolically		SOCIAL STUDIES
	b. Engages in sociodramatic play		29. Demonstrates knowledge about self
			30. Shows basic understanding of people and how they live
			31. Explores change related to familiar people or places
		Contraction of the second	32. Demonstrates simple geographic knowledge
		- Charles	THE ARTS
			33. Explores the visual arts
		15	34. Explores musical concepts and expression
			35. Explores dance and movement concepts
			36. Explores drama through actions and language
			ENGLISH LANGUAGE ACQUISITION
			37. Demonstrates progress in listening to and understanding English
			38. Demonstrates progress in speaking English

#### **Report Card**

- Support, guide, and inform planning and instruction
- Report and communicates with family members and other

#### SOCIAL-EMOTIONAL Jane Doe Checkpoint 1 (CP1): Fall 2022/2023 Regulates own emotions and behaviors 1. Checkpoint 2 (CP2): Winter 2022/2023 Checkpoint 3 (CP3): Spring 2022/2023 Class / Grade: test class a. Manages feelings Teacher: Daniella DaCunha Checkpoint 4 (CP4): Summer 2022/2023 School / Program: Default Site b. Follows limits and expectations E = Exceeding Expectations c. Takes care of own needs appropriately M = Meeting Expectations P = Progressing Toward Expectations 2. Establishes and sustains positive relationships a. Forms relationships with adults Knowledge, skills, and abilities b. Responds to emotional cues c. Interacts with peers Social-Emotional CP1 CP3 Assessment Comments CP2 CP4 d. Makes friends 1a Manages feelings P Currently, Jane: Is beginning to comfort self by seeking out special object or person 3. Participates cooperatively and constructively in group situations Next, Jane will: Comfort self by seeking out special object or person a. Balances needs and rights of self and others Follows limits and expectations P 1b Currently, Jane: Accepts redirection from b. Solves social problems adults Next, Jane will: Begin to manage classroom rules, routines, and transitions with occasional reminders Takes care of own needs appropriately P Currently, Jane: Is beginning to demonstrate 1c confidence in meeting own needs Next, Jane will: Demonstrate confidence in meeting own needs

## How can you support your child at home?

- Engage in back and forth conversations with your child
- Incorporate at least 15 minute of movement into your day
- Read or listen to a story everyday with your child
- Use everyday experiences to reinforce math skills, language development, and literacy
- Encourage your child to use various to practice fine motor skills
- Allow your child to engage in imaginative play
- Encourage your child to help with the following to promote independence and self-confidence:
  - Getting dressed
  - Making the bed
  - Setting the table
  - Cleaning up after themselves

**ANY QUESTIONS?**
